Christ to the World Ministries is undertaking the challenge to share the gospel of Christ with the people of Iraq. Production is planned for fall of 2009 and working with Far East Broadcasting Association (FEBA) from the island of Cyprus.

Broadcasting the stories of Jesus to a war torn country with a long and current history of violence will be challenging and rewarding. We pray and believe that many people will come to the understanding and belief in Jesus Christ as Lord and Savior.

In a country where nearly every person has felt pain and prejudice, for many the hope for today, tomorrow and eternal life through Jesus will be a welcomed message.
