CURRICULUM & RESOURCES

Christ to the World Ministries focuses on bringing persons to a saving knowledge of and faith in Jesus Christ as Savior and Lord. This guide provides an overview of our Ministry and our Mission.

Resources

We produce a combination of printed and audio resources centered upon the Word of God. The resources are in the areas of pre-evangelism, evangelism, and discipleship. All of the resources use primarily the “storying” method of conveying the truths of Scripture.

We presently produce five different types of resources. These resources allow broadcasters flexibility in their planning and programming.

Christian Radio Dramas

These dramas, 20 minutes in length, are in the areas of pre-evangelism and evangelism. Based on Scripture, they are designed to awaken an interest in spiritual matters in the listener and stir within him a hunger for God. They are fast-paced and involve a great deal of action and dialogue. Each one ends with an invitation to trust Jesus Christ as Savior and Lord.

Deliverance Radio Programs

These programs, 25 minutes in length, are in the areas of evangelism and discipleship. Each program is a combination of the Christian radio drama and biblical teaching. The program begins with Scripture and an overview of the central truth to be learned. Then the drama follows. Teaching at the conclusion of the drama summarizes and reinforces the central truth depicted. The program ends with an invitation to trust Jesus Christ as Savior and Lord.

Bible Study Leaflets

These four-page study leaflets are designed to be studied by the persons who are reached by the radio broadcasts of the dramas and other radio programs produced by Christ to the World. They are in the areas of evangelism and discipleship. Cover artwork conveys a truth from the study and arouses interest. Each leaflet ends with an invitation to trust Jesus Christ as Savior and Lord. Brief follow-up is given for those who trust Christ. The leaflets can be mailed to recipients, and they can also be posted on the Internet.

Hear the Word Radio Episodes

These programs, 18 minutes in length, are in the areas of evangelism and discipleship. Based on the Bible study leaflets, each program involves a teacher and two colleagues who discuss the biblical passage and make application of the scriptural truths. Each program ends with an invitation to trust Jesus Christ as Savior and Lord.

Bible Study Guides

These study guides, 10-12 pages in length, are a longer version of the Bible study leaflets and are also in the areas of evangelism and discipleship. They are interactive in design to involve the learner, and they use creative artwork throughout. A leader guide is included whereby a person can lead a group study. Each guide ends with an invitation to trust Jesus Christ as Savior and Lord. Brief follow-up is given for those who trust Christ. The guides can be mailed to recipients, and they can also be posted on the Internet.

The Power of Storytelling:

The basic drama program approach is that of the Bible story. Everyone loves stories. Jesus did not follow the sermonic model most preachers, and many teachers, use today. Rather, He told stories. And the people listened. They loved them. And they remembered the stories He told. Oral cultures in many parts of the world rely almost exclusively on stories in communicating and teaching. Missionaries have rediscovered the effectiveness of using Bible stories. Conveying the truths of Scripture in story form makes a lasting impression upon the reader/hearer. Bible stories are easy to remember. And they are a great aid when the person wants to share the truths he/she has learned with someone else.

Other references to the Way are found in Acts 19:9, 23; 22:4; 24:14, 22.

The early Christians proclaimed Jesus Christ as the way of salvation (Acts 16:17) and the way to God (1 Tim. 2:5). Jesus said, "I am the way and the truth and the life. No one comes to the Father except through me" (John 14:6). Peter declared to the leaders of Israel: "Salvation is found in no one else, for there is no other name under heaven given to men by which we must be saved" (Acts 4:12). But many persons in the days of the early church missed the Way. They refused to trust Jesus Christ as Savior and Lord. Many were like Felix, "who was well acquainted with the Way" (Acts 24:22), yet refused to believe.

This series of 12 dramas/study guides tells the story of 12 men who missed the Way. For various reasons, they turned away from the truth, and, as a result, faced eternal night.

Yet the greatest suffering of all was not physical; it was the suffering Jesus endured when He took the load of human sin upon Himself (2 Cor. 5:21) and the Father turned away from Him (Mt. 27:46).
